

UNITED STATES DISTRICT COURT
DISTRICT OF NEVADA

JOHN D. PAMPLIN,

Plaintiff,

Case No. 3:20-CV-0043-MMD-CLB

ORDER

R. BAKER, et al.,

Defendants.

11 Plaintiff, John David Pamplin - Inmate #74405, is a frequent litigator in this court.
12 Since late 2016, plaintiff has filed no fewer than nine civil rights actions and six habeas
13 actions. Plaintiff has attended multiple inmate mediations in civil rights cases (3:16-CV-
14 668, 3:16-CV-0745, 3:17-CV-0716, 3:18-CV-0333, 3:18-CV-0532). All the mediations
15 have all proved either unsuccessful or resulted in a repudiated settlement requiring a
16 motion to enforce (3:16-CV-0668-MMD-VPC).

17 The court has reviewed this particular case and, while not opining on the merits,
18 has determined that it shall be excluded from the inmate mediation program in order to
19 preserve the court's limited resources. An order granting *in forma pauperis* shall issue
20 and this case shall proceed on the normal litigation track. The parties are free to privately
21 discuss settlement if they so choose.
